THE CROWN JEWEL: THE FLYBRIDGE

The true highlight of the MOON 100 is its expansive upper deck – the flybridge. Here, panoramic views meet fresh ocean breezes, creating an experience like no other. Unwind on plush sofas or sun loungers, sip a drink from the fully-equipped bar, or soak in the Jacuzzi as the world drifts by.

THE MAIN SALOON

Step into the main saloon – an inviting space flooded with natural light and surrounded by breathtaking sea views. Large sliding doors seamlessly connect the interior to the rear cockpit, ideal for relaxed al fresco dining.

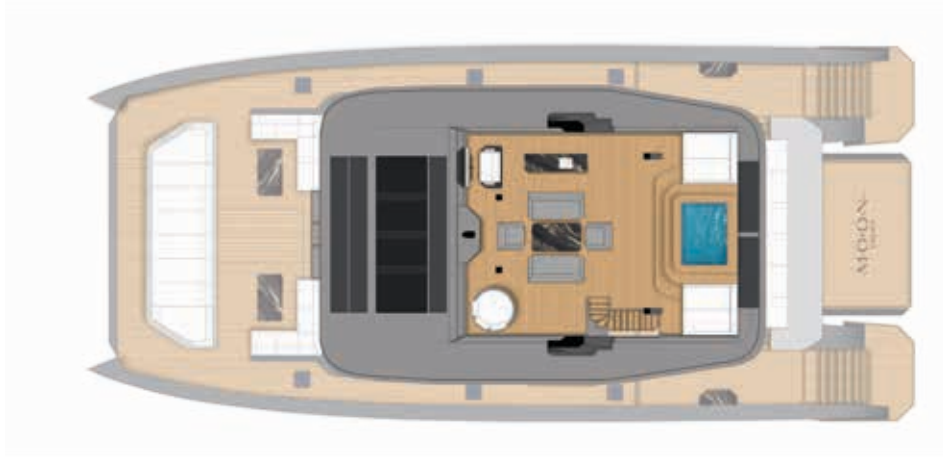

MASTER SUITE & CABINS

Each cabin is a private sanctuary, beautifully finished with premium materials and thoughtful details.

Spacious layouts, en-suite bathrooms, and luxurious bathing lounges come standard.

The master suite can also feature a hydraulically-opening balcony – your personal oasis at sea.
