The Quantum of Solace is a 72.6-meter (238-foot) luxury motor yacht built by Turquoise Yachts in 2012, with an H2 Yacht Design exterior and interior. Key specifications include a steel hull, aluminum superstructure, and a gross tonnage of 1,730 GT. It is powered by two Caterpillar engines, capable of a cruising speed of 15 knots and a maximum speed of 17 knots, with a range of over 4,750 nm. The yacht accommodates 12 guests in 7 staterooms and is served by a crew of 18 to 19.

The motor yacht Quantum of Solace features a rare double-height atrium, a full-beam spa with a hammam and sea terrace, a helipad, a swimming pool with a contra-flow system on the sundeck, and a large selection of tenders and water toys. She also boasts advanced entertainment systems including a DJ setup with a smoke machine and extensive Starlink Wi-Fi, and a dedicated wellness center.

Interior Design:	Exterior & Entertainment:
○ Double-Height Atrium: A stunning feature rarely found on yachts, with a Steinway grand piano. ○ Spa & Wellness: An Asian-inspired spa area with a hammam, massage room, gym, and a spa pool that opens to the sea, complete with a separate massage room and a large shower. ○ Staterooms: Accommodates up to 12 guests in seven staterooms, including a full-beam owner's suite with a private terrace	○ Sundeck: Features an expansive sundeck with a 16-foot swimming pool and lounge areas, a professional DJ setup, and disco balls. ○ Helipad: A touch-and-go helipad allows for quick arrivals and departures. ○ Tenders & Toys: A comprehensive collection of water toys, including jet skis, paddleboards, and a floating platform with a climbing frame, slide, and Blob. ○ Zero-Speed Stabilizers: Provide exceptional comfort and stability at anchor.
